STEREO CLUB OF SOUTHERN CALIFORNIA

BY-LAWS

ARTICLE I - NAME AND PURPOSE

Section 1 NAME. This organization shall be known as STEREO CLUB OF SOUTHERN CALIFORNIA, a non-profit organization.

Section 2 PURPOSE. The club is organized for the purpose of promoting the enjoyment of the art of photography; to have organized discussion; to hold competitions in various branches of photography; to arrange for assistance to its members in the form of speakers, demonstrations or other means of furthering this enjoyment and enhancing the skill of its members; to arrange field trips; to buy and own such properties as the directors deem necessary for the fulfillment of these aims.

ARTICLE II - MEMBERSHIP

Section 1 MEMBERSHIP. Any person of good character, who is interested in photography, may be admitted to regular membership by the Board of Directors, upon filing application and payment of dues as prescribed in Section 2 of this article.

Section 2 DUES. The annual dues shall be set by the Board of Directors.

The fiscal year starts July 1st of each year and ends on June 30th of the following year. Dues shall be paid annually, and in advance. If any member's dues remain unpaid on September 1st of such year, said member may be suspended by the Board of Directors. The suspension shall be lifted automatically, upon payment of dues in arrears. Dues must be paid up to date, to participate in the Club competitions or activities.

For anyone accepted to regular membership between January 1st and June 30th of any year, the dues shall be one-half the annual dues.

Section 3 ASSESSMENTS. Additional funds may be obtained by assessment of the Club members. A notice shall be issued to all members, at least one week before a proposed assessment is to be voted on. The vote on the proposed assessment will take place at a regularly-scheduled meeting of the Club, and a majority vote of the members present will be necessary for approval.

Section 4 NEW MEMBERSHIP IN SOUTHERN CALIFORNIA COUNCIL OF CAMERA CLUBS. Realizing membership in the Council is beneficial both to the members and the Club, each new member shall pay, in addition to the annual dues, an initiation fee, said initiation fee shall be used for payment of his or her membership to the S4C. This initiation fee will be in the amount of members' dues in the S4C at the time of application, if between July 1st and December 31st. If application is received between January 1st and June 30th, the amount shall be one-half of the amount of the annual dues in the S4C.

Section 5 SUSPENSION AND RECALL. A majority vote of the Board of Directors of the Club may expell a member of the Club, or recall an elected or appointed officer of the Club.

ARTICLE III - BOARD OF DIRECTORS

Section 1 NUMBER. The Board of Directors shall consist of four (4) persons nemely, President, Vice President, Secretary , and Treasurer. They shall be elected in accordance with Section 3 of this Article, and shall have full power to manage the affairs of this organization, subject to the provisions of law and these By-Laws. They shall make such rules and regulations as they deem proper to carry on the business of this organization.

Section 2 TERM. The Directors shall serve for one year, from July 1st, following his or her election or untill a successor has been elected and qualified. Re-election is permissable.

Section 3 NOMINATION AND ELECTION. The President shall appoint, not later than March of each year, a Nominating Committee, of no less than three (3) members, who shall be approved by the Board of Directors. The Chairman shall be a member of the Board of Directors.

The Committee shall submit to the Board of Directors, not later than the regular April Meeting, a list of candidates for the Directorships to be filled. The Board shall instruct the Editor of the Club publication, if there is one, to publish the names of the candidates, at least thirty (30) days in advance of the annual election.

Additional nominations may be made from the floor, at the Annual Election meeting, by any member, subject to either of two conditions: FIRST, the person being nominated is present at the meeting and gives his or her consent; or SECOND, that the nominee shall have given the nominator his or her written consent to the nomination and said written consent is submitted to the Secretary, at the time of the nomination.

Election of Directors shall take place at the last general meeting of June of each year. If more nominations are made from the floor, election shall be by secret ballot. The President shall appoint three (3) tellers to count the ballots and announce the results.

Section 4 BOARD MEETINGS. The Board of Directors shall hold meetings periodically, at the call of the President, or at the call of two (2) Directors.

Section 5 QUORUM. Three (3) Directors shall constitute a quorum for the transaction of any business.

Section 6 VACANCIES. Vacancies on the Board shall be filled by appointment of the President, with the approval of the Board of Directors, and those appointed shall serve untill their successors are elected and qualified, at the next Annual Meeting.

Section 7 COMPENSATION. The officers shall serve without compensation. The compensation of any employee shall be set by the Board of Directors.

Section 8 SPECIAL MEETINGS. The President or three (3) of the directors may call a special meeting of the Board of Directors, at any time, by delivering or mailing to the last known address of each director a written or printed notice of such meeting, at least three (3) days prior to the meeting.

ARTICLE IV - OFFICERS

Section 1 PRESIDENT. The President shall preside at all regular and special meetings of the Club and the Board of Directors. Subject to the approval of the Board of Directors, he or she shall have general control and management of the affairs of the Club, and shall appoint all committees. He or she shall be ex-official member of all committees, except the Nominating Committee.

Section 2 VICE PRESIDENT. The Vice President shall preside at all regular and special meetings of the Board of Directors and Club meetings, in the absence of the President; and, in general, assume the duties and obligations of the President in such absence.

Section 3 SECRETARY. The Secretary shall keep a record of all proceedings in regular and special meetings of the Board of Directors, and within five (5) days after such meeting, he or she shall mail to the President a copy of the Minutes of the meeting. He or she shall send out all notices of regular or special meetings of the Board of Directors. He or she shall perform such other duties as are assigned to him or her by the Board of Directors, and the President.

Section 4 TREASURER. The Treasurer shall safely keep all the monies of the organization, that comes into his or her hands, from time to time, and pay out the same upon checks of the organization, for all bills duly contracted and authorized to be paid, and generally perform all duties pertaining to his or her office, or which may be required of him or her by the Board of Directors. He or she shall keep accurate books of account of all transactions of his or her office. He or she shall make a report at all regular Directors' meetings, or when requested by the President.

ARTICLE V - LIABILITY

Section 1 LIABILITY. Participation in outings, meetings, and all other activities arranged by the Club is, on a voluntary basis, and is at the individual discretion of the persons who are associated with the members or their guests. Accordingly, the STEREO CLUB OF SOUTHERN CALIFORNIA, its officers, its Directors, either singly or jointly, assume no liability, either direct or implied, for damage or injury to the person or property of the individuals while participating in activities of the Club; and, further, the Club or its officers or directors assume no liability for damage or injury of third parties, due to wilful act or negligence of any person participating in Club activities.

ARTICLE VI - AMENDMENT

Section 1 PROCEDURE. These By-Laws may be amended by the following procedure. The proposal may be made in writing, to the Board of Directors, by any director, or by a Resolution signed by not fewer than ten (10) members. The President shall submit the proposal to the Board of Directors at the next regular meeting. If two-thirds (2/3rds) of the directors present at the meeting approve, the Amendment shall be submitted to the members of the Club, either by mail or at the next regular meeting of the Club. A copy of the existing By-Laws, together with the proposed changes, shall be published in the Club publication, no less than the month preceding the regular meeting.

Two-thirds (2/3rds) of the members present at the meeting must approve the Amendment.

Before being voted upon, any proposed Amendment may be changed, by a majority vote of the members present, provided such changes do not increase the modification of the proposed Amendment.

Section 2 RULES. Roberts' Rules of Order, Revised shall govern all points not specifically covered by these By-Laws.

V. By-Laws Changes.

Article VI - Amendment under Article VI, Section 1 - Procedure - move that the requirement of one month delay between publication of the proposed changes and the voting thereon by the membership be changed for this time only, to read "the membership may vote on proposed changes in the By-Laws at the first meeting after publication of said changes.

Fred Schwanke made the motion and was seconded by Mr. Germann that the proposed above change be made.

Charles Osborn made the motion and seconded that the By-Laws changes published in the May Bulletin be made.

Everett Huffine made the motion and seconded by Sylvia Sikes that the By-Laws changes made be effective immediately.

The program "Glen Canyon Memories" by Jim Dinwidde was presented.

The meeting adjourned 10:00 p.m.

January 11, Regular monthly SAC Stereo Competition, Mobil Bldg., 8:00 P.M.
January 20, Regular Club Meeting, NEW LOCATION THIS TIME ONLY, Mobil Bldg, 8:00 P.M.

Now that the holidays are over and a New Year begun, may we all get busy and get down to work. It is hoped that every member had the best Christmas season ever. Your Editor had a 25 foot pine tree in the back yard which was growing so fast, it was becoming a problem. It was intended to remove it next spring, but his wife came up with the brilliant idea of cutting it down now, and making it into a Christmas tree. The young nephew and his uncle then proceeded to cut it down, remove branches here and there, insert branches there and here, reduce its height, remove the bottom third, splice on a top section, and Sno-Flok it from top to bottom. It did become the most beautiful tree ever seen in their house, but it soaked up four strings of lights and was wanting more. As this bulletin is being written, it is still occupying a good share of the living room, but will soon find itself being fed to the fireplace for one last blaze of glory. Which brings us back to reality and the next meeting.

OUR JANUARY MEETING will be held in the Auditorium of the Mobil Building, 612 S. Flower Street, due to the closing of Plummer Park in the month of January. We are indebted to Lester Lauck for arranging this meeting place for us. There is parking space usually behind the building just to the west of the regular parking lot. Driving east on Sixth Street, turn south on Hope Street, and the first turn to the right is the parking lot. Continue on past and there is usually space close to the building where no fees are charged.

The meeting will be the next-to-last competition of the year, so bring out some of your very best slides. The entry forms are enclosed. Remember to place a sticker on the lower left corner as the slide is viewed in the upright position, and number them in the order you wish them presented, from 1 to 4. The grand total of members monthly competition record is also enclosed herewith on a separate sheet.

THE PSA NATIONAL STEREO CLUB COMPETITION will have its second competition judged in Detroit, with a closing date of February 15th. You will note on the bottom of the club competition record that our Club is in First Place. With this in mind, please bring a few of your best slides not shown in the November competition, for selection by our competition committee to be entered in this contest. Bring them to the January meeting in addition to your regular club entries. It will be appreciated if you will box these separately and mark them accordingly so the Neills will not get them mixed with the regular entries.

(continued on page 2)

Your President, and it seems Editor, wishes to take a few lines to plug the S4C Stereo Competitions held regularly each second Monday at the Mobil Building. Only a few faithful members seem to attend these meetings. I believe we are all interested in stereography enough to want to improve our pictures. I can think of no better way except by individual instruction to find out what the other shooters are doing than by attending these competitions. Even if you do not enter them, you will see what kind of pictures score the high points and learn why some of the lower ones did not make it. The judges often comment on the "near-misses" to help prevent errors in the future. Our club is leading in the S4C and in the National Club Competitions, but if many more would attend and learn, our club would become more "balanced". It seems that so few are carrying the load of so many. I am hopeful of a more even distribution of club effort.

Our Christmas Box was partly filled with generous donations by those attending the November and December meetings. It is hoped that the club will soon own its' own projector stand. Our many thanks to those who contributed.

Everett Huffine continues to improve and is taking it easy but gaining each week. It is hoped that we may all see both Fern and Everett back among us soon. We do miss both of them!

NOTICE OF CHANGE OF MEETING DATE. The club has found it necessary to change the date of our regular meeting due to two reasons: One, the third Wednesday of the month seems to be the same night that many other camera clubs meet, whose members form the nucleus of the judging list for our own competitions. Secondly, there are many members of other clubs meeting the same night as ours who are potential members of our own club, and we do need more active members. With less than half our membership sustaining regular activity, we feel it imperative to recruit other members whose interest is similar. Accordingly we have arranged with Plummer Park, beginning with the February meeting, to meet on the third Thursday of each month, instead of the third Wednesday. We are indeed fortunate that this night was open, and it was the only one which was. We sincerely hope it will not seriously interfere with any members who may find it less convenient to come on the new night. We were faced with a decision and feel it has been resolved to the best interest of all. Our regular Board of Director's meeting will be held, as usual, on the first Tuesday of each month.

OUR FEBRUARY MEETING will feature our annual event, the TRAVELING SALON. This selection of pictures represents the best effort of many of our high-ranking exhibitors, so mark your calendar for this meeting, which as previously announced will be held on the third Thursday, and we will be back at our regular home, Plummer Park.

OUR MEMBERS IN PSA INTERNATIONAL EXHIBITIONS

Since our listing of member's exhibition records in the November bulletin, there have been several salons held in which many members have contributed. It may prove of interest to others to know how our club members are "faring". Hence the following list is presented and is as complete as your Editor can find. If there are any omissions, it is strictly unintentional.

Since the catalog from Austria has not arrived, I can not report on the acceptances of other members, but only on my own. Doubtless many others have acceptances or honors. Our club has done quite well in these salons. This is only one branch of stereo photography, but much of the fun is awaiting the report cards to learn how well we did and to figure how many more we'll need for our "next star". If you haven't entered in any of them, give it a try, and if your pictures need improving, come to the SAC Competitions and to our workshops to learn from some of the more expert members.

Along this line, we hope to have another workshop on mounting for the March meeting. Keep some of those slides which need re-mounting or masking off and bring them to this meeting. There will, of course, be more details in the next bulletin.

Don't forget the change in meeting place for this month, only. And don't forget the change in meeting date, starting in February.

Bess Ferrell

MEETING: February 18, Third
Thursday, Plummer

February 21, "Footprints Of The Creator" and "The Perfect Day", by Rev. H. Bielenberg, FPSA, Mt. Olive Lutheran Church, 1118 N. Allen, Pasadena, 7:30 P.M.
February 22, ShC Stereo Competition, Mobil Bldg., 8:00 P.M.
February 27, Hollywood International Stereo Salon, Ventura, Washington H. S. 8:00 P.M.

The month of February is jam-packed with stereo events, so look over the above list and take your pick. On the 15th, we shall see the 8th International Salon at the Mobil building, sponsored by our club and the Pasadena Stereo Club. Most of the active members will doubtless be interested in seeing this show, especially if they have been successful in having some slides accepted. If not, come out anyway and see the work of our fellow-members and enjoy the show. Our committee does work hard and spend many hours selecting, cataloging entries, filling out forms, etc., and all most of us have to do is to relax and enjoy the show.

February 16th, at Plummer Park, we will have the opportunity of seeing the outstanding work of the "Happy Seven", comprising the following members:

Harold Lloyd, APSA, Olive Benzel, APSA, John Benzel, FShC, Elva Hayward, APSA, Donald Hayward, FShC, Leona Piety, APSA, and Merle Ewell, FPSA.

These photographers have travelled thousands of miles and spent countless hours preparing this program entitled, "Adventures In Stereo With The Happy Seven". You will see glimpses of Formosa, Hong, Kong, Japan, Bangkok, our own Western beauty spots of Yosemite, Bryce Canyon, Mt. Rainier, fall colors of Colorado and Utah, as well as beautiful flowers, table tops or Abstracts. Our own former member, Merle Ewell, has invited our club to attend this show to get our reaction to it, before it is presented to the International PSA Convention this summer at Denver. It is unlikely that we shall have a better chance than this one to see it, so let us all come out to attend this program!

Note that our meeting date has been changed to the third Thursday instead of the third Wednesday. This was done for the best interests of the club.

THE NINTH TRAVELING PSA STEREO SALON will be our program for the February meeting. This salon is an annual event for both our club and the Pasadena Stereo Club, and John Stick, APSA, is responsible for getting it and scheduling it for us. As

in the past, the club must select three top winners and five Honorable Mentions from the entire show. This will be done by three judges chosen by our Program Chairman, Sylvia Sikes. We must have many members of the club who do not care to enter the club competitions, but who wish to see fine pictures. Here is your opportunity to do so. Let us all attend this meeting and help to fill the many empty chairs which are too evident at every meeting. This is your club and the more you put into it, the more you will get out of it.

On February 21st, Lester Lauck tells us that there will be an outside song and dance event sponsored by the ShC at 435 S. Boyle St., where we shall see many native costumes, dances, hear native songs and have an opportunity to take many pictures. In the January ShC News on page 3, there is a brief announcement of the event, and while this is going to press, the February ShC news hasn't arrived, but if it shows up, check it for further details. There will also be a short slide show and coffee and cake will be served.

If you want to make a day of it, after 5 P.M. take your spouse to dinner and then make it over to the Mt. Olive Lutheran Church, where at 7:30 P.M. some of the most beautiful slides you have ever seen will be shown by Reverend Bielenberg, FPSA, one of the country's foremost exhibitors and lecturers of this time. The programs mentioned at the first of the bulletin have been shown over 500 times throughout the country, many times to a standing ovation. If there are any of us who have not seen any of Rev. Bielenberg's pictures, please make an effort to attend this one and you will not be sorry. There is no admission charge, only a free-will offering at the end of the program.

For this month only, the ShC Stereo Competition will be held on February 22nd, instead of the usual second Monday. In the last bulletin, your Editor made a plea for more people to attend these events. Remember that every person attending, may enter 2 slides on an individual basis, whether or not he has any slides in those chosen for the club's entry. It is expected to publish in future bulletins the names of those receiving Awards or Honorable Mentions in these competitions. X

Our January competition was held at the Mobil Building with the usual faithful few members bringing slides in. Although we had no projector, our capable judge, John Ray selected the winners by viewer and the results are tabulated on a separate sheet herewith.

Thanks to many generous members, the club now owns its own brand-new Projector Stand, furnished through the courtesy of Max Bruensteiner. Your President, Editor, Handyman furnished a plywood top for it and brought it out to Plummer Park where it rests with the balance of our equipment in our locker awaiting its first usage this coming meeting.

The Club is still in first place in the Council standings, with the year over half gone. We hope to remain there, so at the next meeting, please bring four of your top-grade slides for Marian to see and select from for the February ShC competition.

The fifteenth of this month is also the closing date for the PSA National Club Competition which we also lead. The report of the results of this second competition will be published as soon as they are available.

Since we have received only one Salon Catalog since the last bulletin was published, your Editor thinks it best to await the results of the next few before again tabulating names and acceptances for local club members.

At the March meeting we will again have a "Workshop" on mounting with a few of our members sitting at tables ready to demonstrate personally each type of mounting available to stereo workers. As previously mentioned, save some of those "problem" slides for this meeting and bring them in for personalized help.

We have agreed to tentatively schedule our annual Banquet for the 26th of June. This date is not yet confirmed, but we hope to have it again at Rudy's Restaurant in the Southwestern area where we had it the time before last. Perhaps we can announce the confirmation of this date at the meeting. At this time, we plan on entertaining all the judges who have given us of their time during the past year. We also have asked Max Bruensteiner to give us his stereo pictures and stereo sound show on "Mendicino County", a lovely 25 minute program your Editor has seen and enjoyed.

Your President-Editor is a member of Stereo Circuit #9. One of the most well-known and respected stereo shooters in this circuit is Paul Darnell. He is a mathematician who works for the Telephone Company and when one of the members of the circuit submitted a slide which lacked considerable in viewing comfort, he asked Paul to analyze his problem and tell him how to avoid future shots such as this. As I recall the picture, it was a close-up of a group of flowers in which the nearest line of flowers came through the window and the separation of the flowers at stereo infinity was too great for viewing comfort. Paul went into a great deal of trouble to describe mathematically what was wrong with the picture. He considered the type of camera which took the picture, the focal length of the lenses, the interocular separation, the degree of magnification for a 50 inch screen, the near distance, the far distance, and many formulae which I will not repeat here. If some of you are interested in having the summing up of this information available to carry in your gadget bag, I am reprinting part of it herewith as a guide to help in taking pictures which will project well and take a minimum of remounting or masking.

Nearest Object	Farthest Object
Feet	Feet
2½	4
3	5½
4	10½
5	21
6	77) Practically these are
6½	Inf.) the same insofar as most
	viewers are concerned.

These figures have been worked out for the following conditions:

- Stereo Realist or other camera with 35 mm. focal length lenses and 70 mm. lens spacing.
- Interpupillary distance of 62.5 mm.
- Projection magnification of 50 times.
- The nearest object to appear at the plane of the window when mounted in the mask.
- No part of scene to project through window toward viewer.

Your Editor is pleased to report that Everett Huffine is feeling good and is slowly taking on more duties, but we are not rushing him as yet. We do miss you, Everett, and are anxiously awaiting your return to our meetings, and Fern we miss you, too, and are a bit shy of competent scorers.

All for this time from your "two-thirds through" Editor.

MEETING: March 18, Third
Thursday, Plummer
Park, 8:00 P.M.

DATES TO REMEMBER:

March 8, ShC Stereo Club and Individual Competition, Mobil Bldg., 8:00 P.M.
March 11, 21 Fiftieth National Orange Show, San Bernardino. Details in ShC News.
March 18, Regular Club Meeting, Plummer Park.
April 6, Board of Director's Meeting, Plummer Park, 8:00 P.M.

The 9th PSA Traveling Salon was shown for our February meeting, and those of you who missed seeing it, shame on you! Our Judges, Sylvia Sikes, George Pond and Russ Terrill had a tough time choosing 8 slides out of 110, but finally came up with the following:

1st Place:	The Little Sunflower Girl	by Arthur Neill
2nd Place:	Gold Band Lily	by J. Novak
3rd Place:	Higher Mathematics	by Lester Lauck
5 H. M's :	Framed in Fur	by Ruth Bauer, APSA
	Next	by G. W. Becker
	Paris Night	by Ted Lambert
	Winter Time At the Old	
	Mill	by Erma I. Lauck
	Bride and Groom	by Arthur Y. Neill

Entry forms should be in your hands for the 10th PSA Traveling stereo Salon, which closes March 15th. Joseph P. Fallon, 559 Washington St., San Francisco, 94111 is chairman and will mail you a form if you do not have one and wish to enter. As usual, we should again see this show in January or February of next year.

ShC COMPETITION FOR JANUARY still shows our club on top with 1092 total points. Let us keep it there by bringing our best slides for Marian Neill to choose for the April competition. Our own members fared as follows:

Arthur Neill an Award in the Club Competition
Sylvia Sikes an H.M. in the Club Competition
Charles Osborn an Award in the Individual Competition
Maude Osborn an Award in the Individual Competition
Lester Lauck an H.M. in the Individual Competition
Maude Osborn an H.M. in the Individual Competition
Russell Terrill two H.M's. in the Individual Competition.

Again may your Editor urge as many as possible to attend these competitions. Remember you may enter two slides on an individual basis in addition or in place of any you may or may not have in the club's competition.

Due to the late date in February, the ShC News has not arrived with results for that month. When it comes, please check it to see how your fellow members are doing and how the club is doing.

THE 8TH HOLLYWOOD INTERNATIONAL STEREO SALON is now history. The last showing was made February 27th at Ventura to a large and enthusiastic group. At San Diego, the show was presented to about 125 stereo fans and was well received. Your Pres, and his station wagon, with spouse, drove down with the 9 foot screen and enjoyed the day and evening, and the pleasant time at the Town and Country with the Salon committee.

NEW MEMBERS are Bert and Catherine Laursen of Long Beach. We can attribute the change in our meeting date to the acquisition of these serious and enthusiastic stereo workers. Please add their names to your membership roster as follows:

Bert and Catherine Laursen,
6460 Mantova,
Long Beach 15, Calif. (

Welcome to the club, folks, and we are looking forward to seeing your fine work in our competitions.

INTERNATIONAL SALONS have tapered off somewhat, but many of the catalogs have not been mailed to exhibitors at this writing. However you may be interested to know how our members did in the first Austrian Stereo Salon, so your editor has listed the following members and their acceptances:

James H. Dimwiddle	Hedgenog Cactus No. 3
	The Mitten
Everett A. Huffine	Colorado Monoliths
	Golden Aspen
	The Winding Colorado
Fern E. Huffine	A Place In The Sun
	From the Rim
	Giant Footsteps
Lester Lauck	Refreshing,
	Sea Life
	Deep Thought
Catherine Laursen	Ocean Gems
Arthur Neill	Robinlynn
	Golden Glow
	The Pause That Refreshes
	The Proud Mother; H.M.
Sylvia Sikes	Spider Rock
Stergis M. Stergis	Colorado River
	Pacific Coast
Russell Terrill	Bottle Brush, 6th Place of Show
	Bronze Plaque

As the other catalogs are received, additional lists will be published.

It was very nice to have Everett and Fern Huffine with us last month, also nice to see Erma Lauck come out to the meeting. We are in need of more active workers and members who will attend the meetings. Due to the depleted membership list of active members, the Board of Directors may be forced to eliminate three of the nine Board members. Art Klein was appointed Nominating Chairman to find three more members willing to serve on the Board, but was unable to do so. Action will be taken soon on this problem.

MARCH MEETING will be a practical workshop on Mounting. Your Editor can not stress too strongly the need of more accurate techniques in mounting of your stereo slides. No matter how much you feel you know about this problem, we feel you can learn a few new tricks. Marian Neill, Sylvia Sikes and Russ Terrill will conduct practice workshops on tables around which members may gather to learn and try for themselves the method which suits them best. Marian will show us new ideas and demonstrate Kindar mounting while Sylvia will show us how to use Realist masks. Russ will demonstrate how to improve a slide which needs it by masking, top, bottom or sides, using Emde masks. It was mentioned months ago, that members who have slides in need of mounting attention should at this time, bring them to the meeting where they will have an opportunity to work with them. If you have slides which you do not plan on using in competition, these will be better for demonstration purposes. We have seen the splendid mounting program of George Pond, and we

and that this next workshop can give us more practical experience in doing some of the things brought out in his slide show, plus some of our own ideas. This is the second "Workshop" scheduled for the current year; the first one, of course, was at Lester and Erma Lauck's on table tops and black light photography. It is hoped that many of you will come out to this meeting, and we also hope it will result in better slides for everyone.

Don't forget the San Bernardino Orange Show seventh Annual Photo Competition! Here is one contest which can lead to money, so take advantage of it, and we'll be seeing you there! Details were given us by Charles Osborn at the February meeting, but to recap it, here are a few items to remember:

There will be a Stereo Division along with black and white and color. Stereo slides may be entered in the following sections:

- (1b) Midway and Kiddieland
- (2b) Best Human Interest
- (3b) Best General Subject
- (4b) Orange Queen and Court on Camera Day

Camera Day will be March 14th. The Orange Show Queen and Court will pose for photographers in the Flower Building from 9 a.m. to 11 a.m. on this day.

First Prize: \$10.00 and National Orange Show Trophy Award
Second Prize: \$5.00 and Special Ribbon Award
Third Prize: \$2.50 and Special Ribbon Award

Honor Award Ribbons will be given in each separate section. Closing date for entries is April 14, 1965. Mail to:

San Bernardino, Calif.

The writing of this bulletin was interrupted March 2nd to have a Board of Director's meeting at which, among other things, the problem of obtaining three more members of the club willing to serve on the Board was discussed. Every member of the club was discussed and with the possible exception of a limited few, were contacted by Art Klein, Chairman of the Nominations Committee. Since no members were found, willing to serve, it was decided that the only practical manner in which to handle the situation is to reduce the number of directors from 9 to 6, and reduce their term of office from 3 years to 2. Until such time as we have a greater number of willing and active workers, our Board structure seems a bit too elaborate for the size of the club. Hence a written resolution was presented to the Board who approved it, subject to final membership approval. By-Laws require the changes to be included in the monthly publication so that all members are aware of the situation and can vote intelligently on the issue when presented at the regular meeting.

The proposed changes entail ARTICLE III Amendments. The present By-Laws will be outlined with the changes appearing at the end with changes underlined.

ARTICLE III - BOARD OF DIRECTORS

Section 1 NUMBER. The Board of Directors shall consist of nine (9) persons elected in accordance with section 3 of this Article, and shall have full power to manage affairs of this organization, subject to the provisions of law and these By-Laws. They shall make such rules and regulations as they deem proper to carry on the business of this organization.

Section 2 TERM. Three (3) directors shall be elected each year. Each director

shall serve for three years, from July 1st following his or her election or until his or her successor has been elected and qualified. In the event that any directors have been appointed to fill vacancies, as provided in Section 6 of this Article, additional directors shall be nominated and elected, as set forth in Section 3 of this Article.

Section 3 NOMINATION AND ELECTION. (Fifth paragraph)

A director who has served a full three year term may not be reelected until one (1) year after expiration of his or her term. Directors shall serve without compensation.

Section 5 QUORUM. Five (5) directors shall constitute a quorum, at any meeting of the Board of Directors. Seven (7) directors shall constitute a quorum for the transaction of any business by mail or telephone.

PROPOSED CHANGES:

ARTICLE III - BOARD OF DIRECTORS

Section 1 NUMBER. The Board of Directors shall consist of six (6) persons elected in accordance with Section 3 of this Article, and shall have full power to manage the affairs of this organization, subject to the provisions of law and these By-Laws. They shall make such rules and regulations as they deem proper to carry on the business of this organization.

Section 2 TERM. Three directors shall be elected each year except the year ending June, 1965, when no new directors shall be elected. Each director shall serve for two years, from July 1st following his or her election or until his or her successor has been elected and qualified. In the event that any directors have been appointed to fill vacancies, as provided in Section 6 of this Article, additional directors shall be nominated and elected as set forth in Section 3 of this Article.

Section 3 NOMINATION AND ELECTION. (Fifth paragraph)

A director who has served a full two year term, including those who have already served three years by June, 1965, may not be reelected until one (1) year after expiration of his or her term. Directors shall serve without compensation.

Section 5 QUORUM. Four (4) directors shall constitute a quorum, at any meeting of the Board of Directors. Five (5) directors shall constitute a quorum for the transaction of any business by mail or telephone.

Members of the club will be asked to vote on these changes at the April meeting.

Since it is almost 1:00 A.M. and your Editor is making too many mistakes, this will be the end of this bulletin.

Your "three months to go" Pres and Editor,

James Merrill

LAST CLUB COMPETITION OF THE YEAR is scheduled for our April meeting. Bring four of your best slides, marked with labels and with both entry forms filled out according to club rules and give them to Marian Neill. Scores of this competition will be entered in the yearly total to determine our winners and runner's up. As usual top winners will receive trophies, and this year special ribbons will be awarded to runner's up so that the top six scorers will receive recognition. More details will be published in the May bulletin along with final results.

PSA NATIONAL STEREO CLUB COMPETITION has a closing date of May 15th, with the Long Beach Club doing the judging. This competition is the last of the current series. Our club is occupying first place and final victory is within our grasp if we don't slip. Some of the winners of the April Club competition, if eligible, may be selected for possible entry in this contest. In addition to the slides for our regular competition, Marian would like you to bring four extra slides for possible selection for the May ShC competition. We are also leading all other clubs here.

Although we really are on top in the competitions, we regretfully are low in attendance to the meetings. Months ago your President asked for a show of hands of those interested in attending a workshop on mounting. The majority of members present (about 15) expressed interest in such a meeting. Of those whose hands were raised, only a few took advantage of our March meeting workshop. However we are happy to report that the few who did attend were enthusiastic about the instruction offered and the many ideas presented. One member would like to have "more meetings like this one". Time ran out before all of the ideas and suggestions could be demonstrated, so perhaps another meeting may be in order for some future date. One member remarked that no matter how much you think you know, you can always learn something new.

At the meeting, you will be asked to vote on the changes of By-Laws presented in the March bulletin. Please re-read these Sections again as your decision will be requested. The future of the club, and perhaps its life will depend on ability and willingness of members to take charge. Your President is being honest with all of you in stating that our club is in a serious situation with a distinct possibility of having no President for the coming year. Dropping three Board members who have served their terms may lessen the problem of having a cumbersome Board for such a small membership, but according to our By-Laws, the new officers must still be elected from the remaining six. We have a volunteer for Vice President and Marian

Neill has consented to remain on as Secretary, although this office can be, and is at present, outside the regular Board unit. Our By-Laws were drawn up to prevent the monopoly or the hardship of any member serving in any office for a long term, and are believed to be fair and just. But when other members are unable to serve, a severe problem occurs. This, then is our dilemma. Perhaps one answer is to inaugurate an intensive membership drive, securing new members to help divide the administrative load. Your ideas or suggestions are welcome.

FEBRUARY S4C INDIVIDUAL WINNERS:

Lester Lauck	ALERT	Award
Russell Terrill	VERMONT FARM	Award

MARCH S4C INDIVIDUAL WINNERS:

Lester Lauck	GLASSWARE STUDY #2	Award
Lester Lauck	ORIENTAL WITH UMBRELLA	Award
Maude Osborn	BESIDE AN AUTUMN BROOK	Award
Stergis M. Stergis	CANAL AT BISHOP	H.M.
Stergis Stergis	GOING TO THE TOP	Award

As the March bulletin was going to press, the 8TH HOLLYWOOD SALON Catalog had not been received. Many of our members did quite well with their slides in this show, so your Editor is listing their names with titles of their slides and honors, if any, they may have earned.

Ward Clark	VIEWING PILLARS OF AUTUMN FIRST CLASS TRAVELER	
James Dinwiddie	STAIRWAY INTO THE BLUE WHEELS OF BORAX WAGON #1 THE HANGOVER	
Fern Huffine	BACK O' BEYOND BLUE AND GOLD NATURE'S TERRACE A ROAD TO REMEMBER	H.M. H.M.
Everett Huffine	THE BADLANDS STRELITZIA REGINAE AUTUMN LOVELINESS	
Erma Lauck	PADUE, THE FISHERMAN EPIPHYLLUM CLOSE UP WINTER TIME AT THE OLD MILL	
Bert Laursen	RHYTHM IN GLASS THISTLE	
Catherine Laursen	RUBRUM LILY #2 OCEAN GEMS TIGER SWALLOWTAIL ON BOTTLE BRUSH STEREO OF OLDEN DAYS	Bronze Medal

Arthur Y. Neill	BUBBLE-TIME TWO LITTLE IMPS PTOLEMY XIV THE LITTLE WHISTLER	PSA MEDAL - Best H.M. of show H.M.
Charles Osborn	IN GOD'S COUNTRY WHITE WORLD	SILVER MEDAL
Maude Osborn	THE PAUSE THAT REFRESHES LOVELY VIEW	
George Pond	MT. RAINIER AND FALLS	
Hubert A. Reeves	SLOW FREIGHT TO CHICHICASTENANGO	H.M.
Sylvia Sikes	GOLDEN ASPEN GOLDEN CARPET	
Ken Sloop	APSA WINGS AT DAWN ARPS PLANES AT SUNSET SAILING TRANQUILITY	H.M.
Stergis M. Stergis	WATER FANTASY SURF AND ROCKS GOING TO THE TOP	
Karl Struss	FISHING FLEET - NASSAU	
Elmer Weidknecht	VALLEY COLOR	

As additional catalogs are received, our members will be listed with the names of their entries. Closing recently are the Detroit and Wichita Salons. For many of you who have not experienced the thrill of receiving a report card with most of your entries accepted or an occasional H.M. or Award, may we suggest that you get busy and try your luck. We have tried to help you with two workshops which have, admittedly, only scratched the surface, but we hope they have given you ideas for further experimenting. Most of it is just plain hard work, and that part we will leave to you.

You will note that Patricia Davis is scheduled for a lecture and show at the San Gabriel Civic Auditorium on May 1st. Her lecture on "The Wonders of Nature" and "Slide Showmanship" should prove of value to any serious photographer. Lester Lauck has tickets for any member wishing to attend.

Don't forget your regular four competition Slides, plus four more for selection for the May SLC and the PSA Club Competitions, just in case our contest winners will not be adequate. PSA Club Winners for February will be announced at the April meeting.

See you on the 15th (Income tax date, ugh)

Come and bring your friends to see our special showing in stereo of "Glen Canyon Memories", filmed and taped with background music by one of our own hard-working club members, Jim Dimwiddie, AS4C.

Program Chairman,
Sylvia Sikes

Our June meeting will feature another highly recommended PSA recorded slide lecture, "From The Golden Gate To The Space Needle", about which there will be more information in the next bulletin.

At a meeting May 3rd at Russell Terrill's house, Everett Huffine and Sylvia Sikes met to discuss proposed changes in the By-Law structure to enable a more smoothly functioning club in the future. With the small group of active members we now have, it is virtually impossible to muster a Directorship of nine members. Other changes were proposed, such as eliminating the usual monthly Board meeting and making re-election permissible. By 11:00 P.M. May 6th, all nine Board members had been contacted by telephone in lieu of a regular Board meeting, and everyone had agreed to accept the proposals. They are printed herewith, with new proposals underlined for your study. A vote will be taken of the membership at the June meeting. It can be stated at this time, that all officers except a Secretary have been slated, and we hope to have that job filled at an early date.

ARTICLE III - BOARD OF DIRECTORS

Section 1 NUMBER. The Board of Directors shall consist of four (4) persons namely President, Vice President, Secretary and Treasurer. They shall be elected in accordance with Section 3 of this Article, and shall have full power to manage the affairs of this organization, subject to the provisions of law and these By-Laws. They shall make such rules and regulations as they deem proper to carry on the business of this organization.

Section 2 TERM. The directors shall serve for one year, from July 1st, following his or her election or until a successor has been elected and qualified. Re-election is permissible.

Section 3 NOMINATION AND ELECTION. Paragraph 1, 2, 3 no changes. Paragraph 4. Election of directors shall take place at the last general meeting of June each year. If more nominations are made from the floor, election shall be by secret ballot. The President shall appoint three (3) tellers to count the ballots and announce the results.

Section 4 BOARD MEETINGS. The Board of Directors shall hold meetings periodically, at the call of the President, or at the call of two directors.

Section 5 QUORUM. Three (3) directors shall constitute a quorum, at any meeting of the Board of Directors.

Section 7 OFFICERS. (This section of old By-Laws eliminated)

Section 7 COMPENSATION. (Same as old section 8)

Section 8 SPECIAL MEETINGS. (Same as old section 9)

As soon as possible, we will have a new stencil cut with the latest changes, pending approval of the club, so all members may have a copy.

MEMBER'S ACTIVITIES IN THE INTERNATIONAL SALONS.

The Rochester and Detroit catalogs have been received since the last bulletin was published and member's names are herewith listed with their acceptances. It was hoped to list acceptances of later salons such as Traveling, Wichita and Stockton-On-Tees, catalogs of which have not been received, but time ran out on your Editor in his phone-call inquiry so the "advance" printing will have to await another time.

DATES TO REMEMBER:

June 17, Regular Club meeting, Plummer Park, 8:00 P.M.
June 26, Annual Club Banquet, Rudi's Italian Inn, 3773 Crenshaw Blvd, 6:30 P.M.
July 6, First Board meeting of the new year, Russ Terrill's house, 8:00 P.M.

OUR LAST MEETING OF THE FISCAL YEAR will feature another fine PSA stereo slide show by the Hodnik's, the Erskine's and Dorothea Van Westrienen, entitled: "From The Golden Gate to the Space Needle". All of us are aware of the quality of work done by these prolific salon exhibitors and this show will give us a taste of 150 slides of the "Best in the West", so come out and lend your support to a worthwhile venture.

OUR MAY MEETING scheduled Jim Dirwiddie's well-done slide show, "Glen Canyon" Memories". All of us present enjoyed it a great deal. Nice work, Jim! We miss you!

Our last meeting also included the presentation by your President of recommended By-Laws changes which were voted on and unanimously passed. New copies will be available to all members at an early meeting.

It is hoped that the following year will see an improvement in our club attendance. Our newer members are being assimilated into our little group and should add much needed "new blood" to the club.

Our record in the competitions leaves nothing to be desired. Saturday, June 5th, our club was presented another trophy for having won 1800 points in council competitions during the past year. Several hundred turned out at Roger Young Auditorium to receive many trophies, and to partake of a delicious prime beef dinner.

Two of our members, Max Bruensteiner and Marian Neill were surprised to receive Associate honors in the S4C and we can all be proud that they are members of our club. Your President accepted the trophy for first place and will bring it to the meeting for all to see and admire.

Our other top award was in the PSA National Club Competition, recently judged for the last time by our friends in the Long Beach Camera Guild. Our total points came to 709 with The Lens and Shutter Club of San Bernardino accumulating a total of 672 points for second place. Arthur Neill won top award with his "Bubble Time" for 48 points with Fern Huffine gaining second spot with her "Colorful Path" with 46 points. Dividing these two honors, Charles Osborn came in with his "Autumn Paradise" for an Honorable Mention. Everett Huffine will present Club and Individual Plaque and Medal at our June meeting.

Much credit for this record must go to our competition committee and a handful of top stereographers who made it possible.

Your President wishes to express his gratitude for much help from Sylvia Sikes, our Program Chairman, after being "launched" into his new job; and for her selection of many of our fine programs; to Marian Neill for her work with the competitions, both at the club and at council and for securing judges for these meetings and for her work as Secretary in keeping minutes of the Board meetings; to Stergis M. Stergis for his loyal help in being present every meeting to set up our equipment and for returning it to our locker after the meetings; to Everett Huffine for re-writing our By-Laws amendments and in many other little ways helping us over the rough spots; to Lester Lauck for inviting any interested member of the club to his studio where he and Erma set up a "table-top" workshop for us and to John Stick for his usual help in scheduling the annual Traveling Salon for one of our meetings.

To all other members who attended meetings and helped to keep the club going, many thanks, and we sincerely hope your time has not been wasted. This is your club and we want to make it worthwhile to each and every member.

ANNUAL CLUB BANQUET, June 26th at Rudi's Italian Inn will be our last get-together before summer vacations. If you have not already mailed in your reservation slip included on the last page of the May bulletin, please bring your check and reservation slip to the meeting. If you can not attend the meeting, please mail your reservation and check at once to Sylvia Sikes, 6036 Lindenhurst, Los Angeles 90036 as she must make a firm reservation very soon. The cost as we told you, is \$2.65 including tax and tip for each meal. We will be having top sirloin steaks along with the rest of the goodies and after our dinner we will have the presentation of our annual trophies to the top six places in the year-end standings. Marian Neill also has ribbons for winners of the last SJC competition which will also be presented. After this, we will be royally entertained by Max Bruensteiner's "Mendocino County and Coast Line" stereo show with stereo music. Your editor has seen this fine program and can highly recommend it, so if for some reason you are a "vegetarian" come to the meeting anyway and see the show. You won't be sorry.

Our June meeting will include a short business session devoted to nominations and elections of our officers for next year. The following candidates have expressed their willingness to serve for another year in their respective capacities:

President	Russell Terrill
Vice President	Max Bruensteiner
Secretary	Marian Neill
Treasurer	Everett Huffine

Additional nominations for any of the above offices may be made from the floor, providing the member making the nomination has received the permission of the person so nominated.

Salon activities will take a rest until August or September so your Editor is "begging" off copying the names of club members and their slides who placed in the Wichita and Stockton-On-Tees exhibitions. Pressure of family illness and a subsequent operation on your Editor's mother has somewhat hampered his energies and taken some time for other duties besides writing the "sheet".

DUES for the next year will be acceptable at our June meeting, at the banquet, or just about any time you wish to submit them. See Everett Huffine or the other guy who may "beat him out" at the election. See you on the 17th. *R.J.*

DATES TO REMEMBER:

July 15, Regular Club meeting, Plummer Park, 8:00 P.M.

August 9 First S4C Stereo Competition, Club and Individual, Mobil Bldg., 8:00 P.M.

NO SEPTEMBER MEETING, due to the PSA INTERNATIONAL CONVENTION in Denver.

JULY MEETING, ANOTHER "MUTUAL ADMIRATION" AFFAIR. As announced by Program Chairman, Sylvia Sikes, at the banquet, please bring to this meeting any selection of slides you think the club members would enjoy. It may be a sequence that you have worked out, a group of vacation slides of a particular area, a story that you think is interesting, a special technique in which you are interested, or anything slightly different from the usual "salon" type slides. We are not limiting the number to any specified amount, but in general, 10 to 20 slides may be accepted, according to the total number received. Many of you who have taken slides and do not have projection equipment may welcome this opportunity of seeing for yourself and showing others, some of your work.

Those of you who missed the banquet, also missed a delicious dinner and a remarkably fine program. The club owes thanks to Sylvia Sikes for receiving the many reservations and checks and for arranging for our banquet room, and also to Max Bruensteiner for presenting us his fine slide show on Mendocino County and Coast Line with the many beautiful and moody slides of one of the interesting spots in our beautiful state. Many of us wish to shoot only "salon" pictures which are fine for the competitions, but we should also remember that a well-planned vacation slide essay or travelog, interests probably many more people and can help to sell stereo when presented in the manner in which Max did for us.

Our annual trophies were presented at the banquet and this year a departure was made from the usual type of trophies. If you visit the homes of any of our winners, you may see their trophies in actual use on the dinner table, instead of on the mantle or on the living room furniture. We hope all the winners were pleased.

SLIDES FOR AUGUST S4C Competition. As announced at the banquet by Charles Osborn, our new competition Chairman, he would like all members to bring four of their best slides for selection for the August Council competition, the first of the new year. As Charles stated, we can't possibly "top" our 1964-65 effort, but we should strive to hold our first place spot this coming year.

DUES are again due for those still unpaid members. Bring your check to the meeting or mail your \$6.00 to the new Treasurer, Everett Huffine, AS4C, 1131 Monte Verde Dr. Arcadia 91007.

See you all on the 15th. Come early so as to give our slide chairman a little time to get organized.

NO SEPTEMBER MEETING SCHEDULED, due to the PSA INTERNATIONAL CONVENTION, Denver

THE AUGUST 19th MEETING will be our first Club Competition of the year, bring four (4) of your best slides, mounted in accordance with our prescribed competition rules, spotted in the lower left corner as viewed in an upright position, and on the spot or near it, place a small pressure label on which the competition committee may enter the number. On the same label, place your own numeral 1, 2, 3, 4 with a slant line on which the competition chairman may enter his number for the order of projection. These numbers should be placed when the slide is in the upper right corner so the slide will be readable when in the projectionists hands.

At present, our plan is to have club contests in August, October, December, February and April. Remember that you must enter all of the competitions if you wish to stand a chance at being in the winner's circle at the end of the year. We are all considered more or less even in ability, but if you consider yourself less gifted than some of the others, just work a little harder.

Judges comments will be given on all slides that time permits, beginning with the lower scores. These comments are very helpful to those with lower scores, so even if you think you may not have winners, bring them out to get a personal evaluation from the experts.

IN ADDITION to the Club Slides, bring another eight (8) slides eligible for S4C competition. These extra slides are to make up for lack of a September meeting, this will insure Charles Osborn a good selection for the Council Competition in October.

OUR JULY MUTUAL ADMIRATION meeting was well received. A substantial number of members brought slides and the cooperation was excellent. The variety of slides and the type of slides presented made for an interesting show. We hope those who missed it will take advantage of the next one.

ANNUAL DUES should be in the hands of our Treasurer, Everett Huffine, FS4C, 1131 Monte Verde Drive, Arcadia, 91007, so he may make up the new paid-up roster of members. He also must send in our names to the Council on the paid-up membership list. If you have not paid, and want to belong to the best darn stereo club on the West Coast, get your checks in pronto.

OUR OCTOBER MEETING will be our second competition of the year. Bring four (4) of your BEST slides, mounted in accordance with our prescribed competition rules, spotted in the lower left corner as viewed in an upright position by a small pressure label on which the competition chairman may write in the number of the slide. Entry forms are inclosed, please have both copies completed before the meeting.

Again we remind you of the importance of entering every competition the Club has scheduled throughout the year if you wish to be among the "top" at the season's end. Even if you are not concerned about your standing, your participation in all competitions will help you in gaining knowledge of stereo technique by listening to the judges comments.

Our Club competition Chairman, CHARLES OSBORN, is asking each member to bring two (2) extra slides for consideration for the November PSA National Club Stereo Competition. Although CHARLES and MAUDE will be in Mexico on vacation, LESTER LAUCK WILL BE PRESENT TO ACCEPT THEM FOR HIM. Remember our Club led all others in National Club Competition last year, so bring your very best slides as we certainly don't want to lose our spot this year.

THE USE OF MEMBER'S SLIDES BY THE CLUB:

There are at least two activities in which our Club participates that needs, and deserves, the full co-operation of each of our members. These are, the PSA National Club Stereo Competition and the S4C Stereo Club Competition.

Each of these activities are held for the benefit of the members of each Club which has a Stereo Division. Yet, you will find some individual club members who say they are not interested in competition and do not participate, and many will not attend a meeting with this activity as a part of the program.

In the opinion of many members, there is much to be learned about COMPOSITION, TECHNIQUE and INTEREST VALUES from viewing other photographers work submitted in competition. It gives the viewer an opportunity to see what others look for in

scenics, close-up and table-top photography, while he is viewing these slides. You will also see possibilities for the improvement of, and the expansion of techniques in your own slides.

Will not each member participate in these "Club Activities" by submitting your own good slides for consideration by the Stereo Chairman?

NON-STAR STEREO SALON

JOHN KELL, APSA, mailed us a few entry forms for a NEW salon for non-star exhibitors. It is open to any member of PSA who has not accumulated 15 acceptances with three (3) different slides in International Competitions. Its purpose is to interest members not participating at present, in the Salon Exhibitions, by giving them an opportunity to compete at their own level of proficiency. If any members are interested, entry forms will be available at the next meeting.

From Karl Webber of Wichita, Kansas, comes a letter proposing to interest our Club in participating in a Stereo Club Circuit. The idea is that the club would enter five (5) slides, receive the circuit as it made its rounds, judge it for the top three slides and pay the shipping charges to the next Club. Winners would receive Ribbons and STEREOGRAM publicity. Your President will bring further details to the October meeting for a decision as to your wishes.

Must "knock it off" and get busy sending out those slides to all those October Salons. Hope you are all doing the same. See you on the 21st.

REPORT ON STEREO DIVISION ACTIVITIES

AT THE P. S. A. CONVENTION - DENVER

BY - SYLVIA SIKES - AS4C

The following members of The Stereo Club of Southern California were observed by your reporter attending the various Stereo Activities at Denver: LEWIS W. BUTTERFIELD, JAMES H. DINWIDDIE, LESTER LAUCK, BERT and CATHERINE LAURSEN, HAROLD LLOYD, ARTHUR and MARIAM NEILL, CHARLES and MAUDE OSBORN, STERGIS M. STERGIS and MRS. STERGIS, SYLVIA SIKES.

Sixty five (65) HUMOR slides competed for the HAROLD LLOYD "HUMOR SLIDE AWARD" furnished by Harold Lloyd, APSA. Mrs Ruth Bauer, FPSA, was the Chairman of this competition, and presided at this program. After much deliberation by the three judges, a slide by VIC PAGEL of Milwaukee, Wisconsin was chosen as depicting the BEST HUMOR.

The showing of the PSA International Stereo Salon had the usual perfect projection, with the efficient Chicago Stereo Camera Club group at the controls. Since two out of three of the judges, who selected the show, liked nudes, there was an over abundance of them chosen for public showings.

SOL SIEGLE, Director of the "Realist Slide of the Year Award" was unable to attend, Conrad Hodnik, FPSA, presided. The judges again chose one of Vic Pagel's slides to be the best of all medal and award winning slides from the past year's Internationals submitted for consideration.

When it comes to the "Stereo Sequence Awards" conducted by Lee Hon, FPSA, the usual tention prevailed among those who submitted. (The winners are not announced untill the show is on). Unfortunately, this year, there were far too few sequences submitted, for the judges to have much choice in their selection. Thus, unfortunately, the sequences are not up to their usual high standards. However, the NEILL'S "saved the day" by making special character title slides for the entire show.

As one of the PSA Stereo Division Directors, I wish to make this plea to all members in the Stereo Club of Southern California. PLEASE DO TRY and make up at least one sequence for next year. This is IMPERATIVE, as without every ones co-operation, next year will certainly be the last year of the sequehce awards activity if there is not better participation. Closing date will probably be June or July of 1966.

Our CONGRATULATIONS to ART and MARIAM NEILL who won 1st Place with their sequence entitled "Trees". This is the third consecutive year for the NEILL'S to take the 1st Place Award. Think we should have them give us a program on their technique?

I did not see ART and MARIAM'S program "Kindar Capers" but I am sure it was up to their usual high standards.

Nor did I see "On Stereo's Magic Carpet", put on by Harold Lloyd's Happy Seven. However, I understand the room was overflowing with curious spectators hoping, if nothing else, to get to see Harold Lloyd. I heard tell, that to reduce the crowd, some one made a public request for all Californians to leave so that "out of state people" could see the show. The projection controls for this show were also handled by the Chicago Stereo Camera Club crew.

continued to page no.2

For those who entered the Stereo Division, PSA Denver International, Lewis F. Miller, FPSA, conducted a very worth while "Panel Discussion" of "Why Rejects?". I believe everyone present, who entered in this Salon, had a "near miss" slide which was given constructive comments. One of the biggest objections was the use of "Red Attire" on their models. Let this be a lesson to all of us - there are many other hues in the color spectrum.

Last, and by far the BEST program I saw was, "Montages In Stereo" by Mrs. Helen W. Erskine, APSA. To me, this program of instructions in mounting and the making of Montages, with illustrated slides, was well worth the time and money spent to attend the convention.

To me, these conventions are not only to meet and visit with friends, but to learn more about how we can improve our hobby - PHOTOGRAPHY.

THE PSA STEREO DIVISION DINNER had the largest attendance of any ever held by this Division. A TOTAL OF 130 ATTENDED. It is at this festive Stereo gathering that all of the various Awards and Certificates are presented.

Our "Hats - Off" to EVERETT HUFFINE, FSLC, a Stereo Division Director for the past five years, who received a Certificate of Award for his outstanding work as Director of the PSA National Club Stereo Competitions. Over the past five years, he has injected far better participation in this activity.

But our GREATEST CONGRATULATIONS go to EVERETT HUFFINE for receiving a "STEREO DIVISION SERVICE AWARD", the Divisions highest honor, awarded only to members in the Stereo Division, giving Special Recognition for exceptional and valued service to Stereo Photography and the Stereo Division of the Photographic society of America. Believe me, this Service Award is hard to get, - In fact in a lot of ways, I think it is far harder to get than an APSA, as there are so few awarded each year.

To sum up briefly, the rules as outlined in the December 1963 STEREOGRAM, a Stereo Division Service Awards Committee of five (5) members, select the person or persons to be so honored. To keep this Award exclusive, and held in high esteem, no more than four (4) certificates are given in any one year. Also since takes a majority vote of a five person Committee to pass on these awards, there could be some years that no such award is given. Last year and this year there were only three given each year.

Any member is eligible to propose another member for this HONOR, but in addition to the "proposer", there must be two sponsor members who are willing to varify the record of the member being proposed. All of this has to be made up in five copies, (original and four copies) and sent to the Chairman of the Stereo Division Awards Committee, on or before May 1st each year, to give the committee time to act.

Then here is the hard part. The person proposed, is to know nothing about this, and no one but the Chairman of this committee and the Stereo Division Chairman know who has been selected for this high honor untill the announcement and presentation is made at the Convention Stereo Division Dinner.

Everett had made plans to attend the Convention, but due to the critical illness, and later death of his mother, he was unable to attend. I was indeed happy I was present at the dinner, and was asked to accept these honors for Everett. I know all in attendance, from our Club were happy they were personal friends of the Huffine's.

TOPS IN STEREO - SEPTEMBER 6th, 1965

An up-to-date listing, in the Stereo Den at Denver, Helen Metzdorf gave recognition to the following ten (10) members of the Stereo Club of Southern California. This listing included acceptances from Hollywood, Rochester, 10th PSA Traveling, 6th Detroit Photographic Guild, Wichita, Stockton-On-Tees, Oakland, 1st Uruguay and PSA Denver Competitions:

<u>PLACE</u>	<u>STAR RATING</u>	<u>NAME</u>	<u>ACCEPTANCES</u>

NOVEMBER PROGRAM: Sylvia Sikes tell us that Charles Osborn has his "Four Seasons" program ready to go and no more need be said about the quality of this show. As you all know, Charles is one of our top stereo shooters, and one of his specialties is winter scenes, as his home is near the San Bernardino mountains where he can "get the jump" on most of us when it comes to getting there first. We will all be anxious to see this outstanding stereo presentation, so come and bring a friend who might be interested in taking up this fascinating hobby.

NEW MEMBERS: We are proud to say that our membership is growing! Not enough to make Plummer Park bulge, but we are glad to accept into our select group, Donald Wolford, who joined us two months ago, and our most recent member is Eleanor Hemstreet, sponsored by Meredith Germann, who joined us last month. WELCOME to our club, and may our association be long and mutually happy. All members should make a point of welcoming them and passing on to them any hints or tricks that we may know to benefit them in their picture taking efforts.

Lester Lauck, our competition chairman last month, in the absence of Charles Osborn was not overburdened with the two extra slides we asked each member to bring for consideration for the PSA National Club Competition which closes this month. Why not every member review reading the BULLETIN just before coming to the meeting to make certain he has abided by any requests which may be stated there? However we are in hopes that he was able to make a selection from the winners in the competition.

OCTOBER COMPETITION: Following are the results of last month's contest. Again, may we suggest that you make every effort to bring your best slides and to not miss a single competition. Listen to the judges suggestions and comments and you will profit much thereby.

SLC COMPETITION: We gained enough in our October competition to make the second place from our third place position. Let us all try to get back on top and stay there for the balance of the year. We maintained our second place in the November competition.

In reviewing Sylvia Sikes' report of the activities of the PSA Denver Convention, we would again like to remind you of the need for every member to seriously consider making up a slide sequence to enter in the regular yearly competition. It seems that so few were entered that the quality of those chosen were below the regular standard. We have all seen and enjoyed the sequences as one of our yearly events, and the standards are not above the abilities of most all of our members. So give this thing a thought and try to come up with something for this coming year or the whole program may be discontinued.

Arthur and Marian Neill took first place in the sequence competition with their sequence entitled "TREES", which is their third consecutive first place award. They have indicated they will conduct a workshop for those members interested in their Kinder techniques, and it might be they would also show us tips on their "sequences" success.

Again to recap some of Sylvia's remarks, our own Everett Huffine, FSLC, received two Awards at the Denver Convention; a Certificate of Award for his outstanding work as Director of the PSA National Club Stereo Competition, and a "STEREO DIVISION SERVICE AWARD", the Divisions highest honor, awarded for his valued service to the Stereo Division of the Photographic Society of America. Congratulations; and we all know he well deserved them both!

Our own member, Harold Lloyd, AFSA, packed 'em in at his show, "On Stereo's Magic Carpet". We know the show made quite an impression on all those seeing it. Our reporter says that all Californians were asked to leave the showroom to make seats available for those from out of the State.

A PROGRAM FOR STEREOGRAPHERS: Dr. Harold Lutes, FShC, APSA., one of our own members, will give a program on "EVALUATION OF STEREOSCOPIC PHOTOGRAPHS", sponsored by the Jewel City Camera Club, on Tuesday, November 30th at their regular meeting place, 124 North Kenwood, at Wilson, Glendale, Calif. This is one section of the "STEREO CLINIC" which was held nearly three years ago in the Mobil Oil Company auditorium. This program will be of special interest to the newcomer in stereography, but the "old timers" can also benefit by it also. Dr. Lutes is sure to give many pointers which have been learned in the past, but have possibly forgotten their value.

As most of you know, your Editor's cameras were carried off from the house by persons unknown a few weeks ago, but the police have not been able to apprehend the culprit as yet. Finger prints on metal boxes did not match mine, nor a suspect one of the neighbor's felt responsible. However a stroke of good luck befell the unlucky looser when an old friend, and professional photographer, offered to give him his own Realist Camera, just like the one lost, and in new condition as it is not used any more and is just taking up space. A few swapping ideas then were bandied about with the result that your Editor is swapping a small piece of electronic for the camera so at least stereo pictures will soon be possible, if not 35 mm single reflex stuff or 4 x 5 pictures. But when the insurance company makes adjustment life will again be beautiful.

Hope to see every member out for the November meeting, and bring a friend or two. Let's get going again and make this club a real "swinger". See you on the 18th!

DATES TO REMEMBER:

Dec. 13, Monthly Stereo Club and Individual Competition, Mobil Bldg., 8:00 P.M.
Dec. 16, Regular monthly Club meeting, Competition, Plummer Park, 7:30 P.M.
Dec. 24, Last opportunity for Christmas shopping.
Dec. 25, CHRISTMAS.
Jan. 20, PSA TRAVELING SALON JUDGING, Mobil Bldg., Auditorium, 7:30 P.M.

DECEMBER PROGRAM will be one of our regular competitions. We know that this is a busy month for all of us, but a few minutes spent in seeking out some of our best slides will be well spent. It may increase your personal standing in the club, and it will also give Charles Osborn, our competition chairman, good selections for the following Club Competition. We are still in second place, so it behooves us all to get busy with our best ones for this meeting. You all know the rules, except possibly the newer members. Bring four slides, mounted in glass, marked at the lower left hand corner as viewed in an upright position, with your name and title of the slide clearly marked on the sticker, and number them 1 through 4 as you wish them projected. It will save the competition committee some time if all members will purchase a roll of pressure tabs which are narrow enough to fit on the edge of the metal frames. We hope the new members will participate in these competitions, as it is only by getting in the swim, that we learn the most from these events. As usual we are inclosing 2 copies of the Entry Form to be used for all competitions. If each member will have this form made out IN DUPLICATE beforehand and turn it in with your slides it will save much time in getting all slides arranged and ready for the judging.

STILL TO COME !!!

IT WAS REGRETTABLE that our November meeting was cancelled because of bad weather, but Charles assures us that we will not miss his show, "THE FOUR SEASONS" as it can be scheduled for a later date just as well.

We also regret not having included in our calendar of events the notice of the Plummer Park showing of the San Bernardino Salon, but at the time of the writing of the Bulletin it was overlooked and then decided that an announcement would be made, but since there was no meeting, no announcement was made. Your editor personally made many phone calls to members whom he thought would be interested, but we still didn't fill the Hall. However, the quality of the slides was excellent, and the show was certainly worth seeing, and we do appreciate the considerable effort that the San Bernardino Committee put forth to bring it to us. We shall be looking forward to seeing their THIRD SALON, next year.

(continued to Page No. 2)

FOR THE JANUARY 1966 MEETING ONLY:

Due to the usual annual floor renovating routine which closes Plummer Park for the month of January, Everett Huffine has arranged for the Club to use the regular S4C competition meeting place, The Mobil Building Auditorium, 612 South Flower Street, for our JANUARY meeting, which will occur on our regularly scheduled date of January 20th, 1966. We shall bring our equipment from Plummer Park for that date.

FUTURE PROGRAMS:

Future programs of interest will include the PSA TRAVELING SALON JUDGING in January and the 1965 PSA SEQUENCE SHOW in March.

Speaking of sequences, we want to again remind you of the importance of having a greater show of interest by stereographers in competing for this worthwhile event. As mentioned in an earlier Bulletin, unless the Committee receives more entries than they did last year, the event may be in danger of being cancelled altogether. If some of you are tired of the usual attempt to secure salon shots every time you click the shutter, give a thought to this angle of competition. The shots do not have to be of salon calibre; just a group of slides which tell a story, and the script has as much to do as the pictures to get across the theme. We would recommend that all of you who can write a cohesive letter and who can take a properly exposed picture, give this sequence competition a sincere consideration for next year.

The "Happy Seven", whose group includes our own member, Harold Lloyd, APSA, presented their "Magic Carpet" show December 2nd at Plummer Park. This is the same show which was given to the PSA Convention in Denver last September. The Californians who missed it there, had the opportunity of seeing it here, and it was well received. Much time and effort has been expended on this show, and your editor saw and enjoyed it very much.

At the last writing of the November Bulletin, your editor had replaced one camera (the 3rd of the three stolen. Since then he has acquired another Pentax with clip-on exposure meter, a new Macro-Takumar lens for close-ups, a slide bar from Cecil Wilson, another Leitz tilt-top device, most items within or under the insurance allowance, which incidentally is expected daily, so soon he hopes to be back in the photo routine.

We are preparing a new ROSTER for our members, when it is received please keep it available for reference and as a reminder that new members, who are enthusiastic stereographers, are welcome to the Club.

We will see you all on the 16th.
