NOTES ON BUSINESS PORTION OF NOVEMBER, 1955 MEETING

Dr. Lutes stated this was the third meeting of this group, and that the committee which has so far fostered this movement believed that there was sufficient interest shown to warrant forming a permanent organization.

He then asked John C. Stick if he would carry on the organization. Mr. Stick then reviewed what had so far been done, and then presented a type-written form of Constitution and By-Laws to the meeting. He then explained the meaning of the several Articles and emphasized that membership in this organization was predicated upon membership in the PSA.

After Mr. Stick presented the plan or organization which the committee proposed it was duly moved and seconded that we form a club to be known as THE PSA STEREO CLUB OF SOUTHERN CALIFORNIA, and that membership in PSA be requisite to membership in this club. After discussion, the motion was unanimously adopted.

It was then moved that the club do adopt as its Constitution and By-Laws the form proposed by the committee, and upon a second, the motion was put and unanimously carried.

A discussion was then had as to the officers for the first year, and the following officers were nominated:

Dr. Harold R. Lutes	-	President
John C. Stick	-	Vice-President
Mrs. Ina Lank	-	Secretary
Max J. Bruensteiner	-	Treasurer

Upon motion, duly made, seconded and carried, the members unanimously elected the foregoing officers, who were all present and entered upon their duties as such officers immediately.

After discussion, it was moved, seconded and carried that we dispense with announcing the meeting by letter with return card enclosed, except upon special occasion where so doing would serve a useful purpose.

Thereupon Mr. Stick returned the meeting to the President, Dr. Harold R. Lutes.
